Tomaz Dentinho, University of the Azores, Portugal
Neil Reid, University of Toledo, USA

Papers in Regional Sciences

Michael Lahr, Rutgers University, USA

International Journal of Urban Sciences

Myunggu Kang, University of Seoul, Republic of Korea

Description:

We welcome all researchers interested in publishing in international regional science and urban science journals to attend. Junior scholars and graduate students will find this session particularly useful. The session will start with brief presentations from editors of five top journals. Following the presentations, discussion will be encouraged, and audience members will be invited to ask questions.
